*RE: Unanimous Passage of Continuing Resolution for the Navajo Nation for Part of Fiscal Year 2025, Beginning October 1, 2024 and Not to Exceed March 31, 2025.*

Dear Honorable Delegates of the 25<sup>th</sup> Navajo Nation Council,

I acknowledge the Honorable Council's swift action in unanimously passing a continuing resolution. My office is now reviewing the version of the continuing resolution that is online as we await the certified version.

It is reassuring to see that the urgency I conveyed in my Presidential Message is being met with the necessary attention. Legislation 0206-24 appears to address the concerns I raised within my Presidential Message including potential furloughs, layoffs, and a government shutdown. It also appears the general wage adjustment is also being addressed in the continuing resolution as this was another key issue outlined in my Presidential message; this recognizes the hard work of our employees.

Once I receive a certified version, I will take appropriate action after thoroughly analyzing the certified resolution.

Sincerely,

Dr. Buu Nygren, *President*
